

BUCKEYE LUBRICANTS

NAT-CHUR CREAM #9

Buckeye Lubricants Nat-Chur Cream #9 was developed from natural ingredients (with the exception of preservative BHA) to be a highly effective softening and moisturizing **Barrier Cream** to protect hands from oil, coolants, detergent, sun, wind, pollution ETC. It has proven to be an outstanding product for this use.

Buckeye Lubricants Nat-Chur Cream #9 has also proven to be an extremely effective **Barrier Cream** for natural leather products, providing protection from sun, oil, water, dirt and grime.

It also conditions new leather and rejuvenates old leather bringing it back to near new appearance.

Buckeye Lubricants Nat-Chur Cream #9 also provides long lasting water repelling protection and it is suitable for use on many products including leather furniture, car interiors, footwear, motorcycle leathers, baseball mitts, golf gloves and luggage.
